Dear Mr. Ball:

Thank you for your letter of 14 September 1960, informing me of the progress of the construction on the new Fairfax Hospital, which you estimate will be ready for patient occupancy in January 1961.

The Fairfax area is growing so rapidly that the need for this hospital to help guard the health and safety of the people of the area is an urgent one.

I wish you every success in your current phase of raising money for the Founder's Fund.

Sincerely,

SIGNED

My dear Mr. Dulles:

On Tuesday, October 4th, approximately 5,000 volunteers will endeavor to contact some 61,000 families in Fairfax County in an effort to pledge their financial support to the hospital.

It would be extremely helpful to our campaign if you would endorse our efforts so that we may release a statement to the press. The enclosed brochure will bring you up to date as to our progress.

An early reply would be very much appreciated.

Respectfully yours,

Donald E. Ball, President
